**City Idlers and Immigration.**

Richmond News-Leader.

The New Bern (N. C.) Journal declares that there are five hundred idle people in that place who will not work, although the farmers of the surrounding territory are complaining that they cannot get sufficient labor to properly cultivate their farms. It would seem that there is a large idle population that does not want to work in Wilmington, since the Wilmington Messenger expresses the hope that the next Legislature will take up the vagrancy question and so amend the law as to provide that if the idlers will not go to the country voluntarily they may be forced to labor for the public in some way.

Our Wilmington contemporary is satisfied that there is plenty of labor in the land if it could be utilized. And so is the Norfolk Landmark; which remarks that the rural South would not be crying for immigration if the disturbing drift towards the cities could be checked. "There would be," continues the Landmark, "no scarcity of labor on the farms and in the mines of the South if the men who eke out a miserable existence in the cities were willing to make an honest livelihood in the country by the healthful sweat of their brows."

This latter contention is true, but it is to be hoped that even if the idle labor in the cities should be put to work on the farms and in the mines, the South would still cry for a good class of immigration. We need that addition to our population for the purpose of building up the waste places. There is in the mines and on the farms already work for all the city idlers, but there is also room in the Southern country for thousands upon thousands of new settlers who will start new farms.

Gumpy—I can't see how folks can go wild over a game of base ball. I saw a game yesterday afternoon, and I must say it was dull enough. Lightwood—I see; you should have bet on the other side.—Boston Transcript.

**Two Capital Cases.**

Goldboro Argus.

When the Superior court of Duplin county convenes in Kenansville the last week in this month, it is very probable that only two cases will be heard. They are both capital cases and will consume the greater portion of the time, as it will only be a one week term. The defendants are both white men. Dan Teachy, who is accused of killing a man named Rivanbark, has been sentenced to be hanged, and took an appeal to the Supreme court. He was given a new trial. John Daniel is accused of killing Bob Maxwell. His case went to the Supreme court and he was also given a new trial. Both men have been in jail in this city for some time. Teachy broke jail in Kenansville once and afterwards went and gave himself up. It is very probable that an effort will be made to have the cases removed to some adjoining county. They have both been tried in Duplin and convicted.

You need clean healthy bowels just as much as pure, wholesome food; without either, you cannot keep well. Hollister's Rocky Mountain Tea eliminates all impurities. Tea or tablets 35 cents. E. T. Whitehead & Co.

"Wealth," said the putative young plutocrat, "is not worth striving for." "How do you know?" fiercely demanded the proletarian. "You don't have to strive for yours!" "That only shows, gentlemen," he rejoined, sadly, "that you don't how reluctantly the governor loosened up."—Chicago Tribune.

**A Young Farmer.**

Goldboro Argus.

Master Willie Howell, the 8-year-old son of Mr. and Mrs. Fred Howell, who lives in the northeastern part of this city, is a young martyr in the way of farming.

Willie has tended a small crop, raising some of the finest corn, beans and tomatoes that ever was seen on this market.

This is indeed fine for a boy so young.

**TAKEN WITH CRAMPS.**

Wm. Krimse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicine.—Elkader, Iowa, Argus.

This remedy never fails. Keep it in your home, it may save life. For sale by E. T. Whitehead & Co., Scotland Neck, and Leggett's Drug Store, Hobgood.

The other day the Roosevelt Cabinet—the President in the chair—held a session of the Republican National Committee. It is not yet announced when the Republican National Committee will hold a meeting of the Cabinet.—Philadelphia Record.

August 12th was an eventful day for astronomers. In several parts of the United States brilliant meteoric showers were observed, some of them lasting for five seconds. There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constant failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 72c. Take Hall's Family Pills for constipation.

**MRS. CECILIA STOWE,**  
Orator, Extra Nons Club.

176 Warren Avenue, CHICAGO, ILL., Oct. 22, 1902.

For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disagreeable place at best. A friendly druggist advised me to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

**WINE OF CARDUI**

Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.

**YOUR KIDNEYS ARE THEY WELL?**

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease develops. FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

**If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.**

**Some Pronounced Incurable**

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

**Had Lumbago and Kidney Trouble**

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
